FLORIDA PODIATRIC MEDICAL ASSOCIATION WELCOMES NEW PRESIDENT

TALLAHASSEE – Maria Noll, DPM was installed as the 2014 President of the Florida Podiatric Medical Association (FPMA) at the annual Presidential Gala, which took place on Friday, January 17, 2014 during the FPMA Science & Management Symposium in Orlando, Florida.

Dr. Noll is in private practice with her husband in Naples, Florida. She is a board certified Diplomat with the American Board of Podiatric Medicine and a Fellow with the American Professional Wound Care Association. She has been an adjunct professor at the Barry University School of Podiatric Medicine and served as president of the Collier County Podiatric Medical Association prior to serving on the FPMA Executive Committee.

The Florida Podiatric Medical Association held its annual five day Science & Management Symposium in Orlando, Florida beginning on January 15, 2014. The FPMA's educational mission is to promote continuing education in podiatric medicine, podiatric surgery, and practice management through workshops and seminars. Over 1,200 attendees participated in the conference.

FPMA members welcome Dr. Maria Noll as the new FPMA President and look forward to a productive year.

For more information, contact the FPMA at (850) 224-4085.

The FPMA is a Tallahassee-based, statewide, professional association representing podiatric physicians in Florida. Founded in 1927 for the purpose of advancing the science and art of Podiatric Medicine, the FPMA is dedicated to promoting the importance of podiatric healthcare among the general public and healthcare professionals throughout the state of Florida. The FPMA currently has 1,004 members and represents 72% of the active, licensed podiatric physicians in Florida.
