## Leisure Highlight #1

The Hyatt Regency Coconut Point Resort & Spa offers several leisure activities on and off-site for all friends and families.

### Big Hickory Island – Enjoy a day at your own secluded beach!

Big Hickory Island is a protected conservation area for shorebirds, Loggerhead Sea turtles and other indigenous vegetation. Pick up a beach towel and sunscreen from the Poolside Recreational Desk or Stillwater Spa, and then grab a snack from Cool Beans Café and Market before heading out for a day in the sun.

A boardwalk just a quarter mile from the resort’s Lagoon Pool leads to a Guest Services shuttle that takes you to the Marina. Friendly Captains and First Mates will ensure a safe and pleasurable 15-minute boat ride to Big Hickory Island Beach, a secluded beach on the Gulf of Mexico. You might even spot dolphins and manatees along the way.

Chairs and umbrellas are available at the beach. The guest service shuttle leaves every hour to and from the marina.

Register now for the FPMA Summer Conference to enjoy the benefits of both leisure and learning.
