You must scan in and out of each lecture hall that you enter in order to receive CECH. A log will be posted in the registration area each day for you to review your earned hours and submit corrections, if necessary.

Total CECH will be calculated from the electronic badges that each physician uses to enter the lecture halls. Those contact hours will be submitted to CE Broker by FPMA once the conference is over and all hours have been verified.

In Florida, Practice Management hours are not required and are limited to 3.0 hours per biennium; Risk Management is limited to 1.0 hour per biennium; Laws & Rules is limited to 1.0 hour per biennium; and Medical Errors is limited to 2.0 hours per biennium.
