

THE FLORIDA PODIATRIC MEDICAL ASSOCIATION PRESENTS

SAM

Science & Management Symposium

SAM 2018

Wednesday, January 10 - Sunday, January 14, 2018

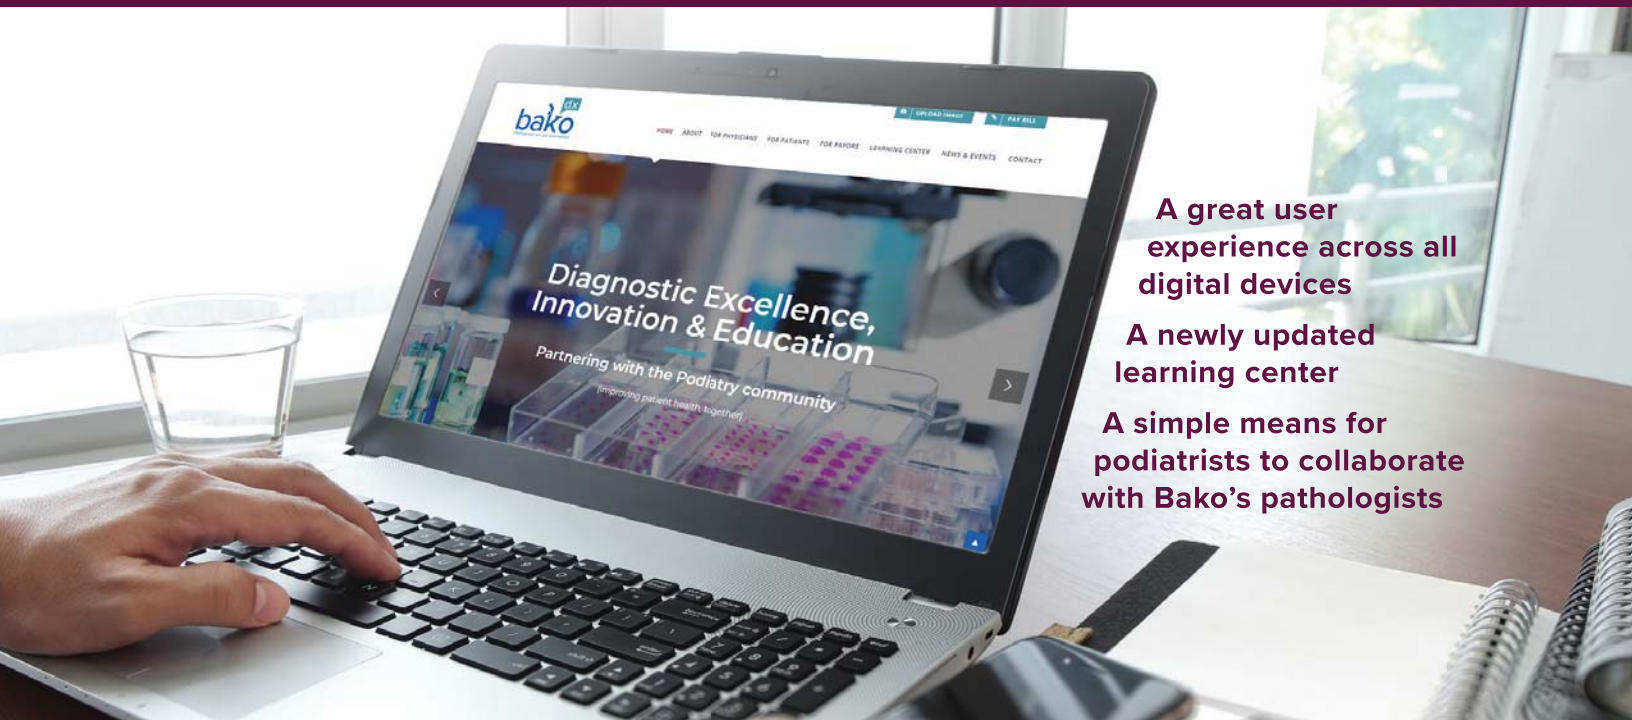

Disney's Coronado Springs Resort

Lake Buena Vista, Florida

Bako Launches a New Website for the Podiatric Medical Community

bakodx.com

A great user experience across all digital devices

A newly updated learning center

A simple means for podiatrists to collaborate with Bako's pathologists

Bako Diagnostics

Our new name, new logo and new website reflects our growing clinical laboratory services for podiatrists

We are excited to launch this new site that provides user-friendly access to all of Bako services, products and learning materials," stated Larry McCarthy, Bako's CEO, "We will continue to evolve this site as the needs of podiatrists evolve and new tests and technologies are introduced by our company."

"Our new company name and logo, demonstrates the expansion of our laboratory services into the molecular diagnostics arena," said Dan Spragle, President and COO. "We will continue growing services while still providing podiatrists with our innovative and industry-leading pathology tests."

Welcome to the FPMA SAM Conference 2018! Stop by to see the Bako Team at Island #94 and take a chance to **win an Apple MacBook Air!**

Information About Badge Scanning at SAM 2018

Every attendee in the SAM 2018 Podiatric Physician and X-Ray Assistant program will receive a scanning name badge upon check-in at the SAM registration desk. This badge will need to be scanned at the beginning and end of each session attended to determine the exact duration and assign Continuing Education Contact Hours (CECH) accordingly. **You must scan in and out of each lecture hall every time you enter and exit in order to receive CECH. Some lectures/workshops will also require that you sign in prior to attending.**

Main/Side Track Lecture Halls:

Scanning units are located at the entrance to all SAM 2018 lecture halls. You will need to scan your badge **every time you enter and exit.** The unit will beep and indicate GRANTED IN upon entering the lecture hall. The unit will beep and indicate GRANTED OUT upon exiting the lecture hall.

IMPORTANT: A log will be posted in the registration area each day for Physicians to review their earned hours and submit corrections, if necessary. It is best to verify your CECH information is correct while you are on-site at the conference, rather than after the conference has ended.

Total CECH will be calculated from the electronic badges that each Physician and X-Ray Assistant uses to enter the lecture halls. These hours will be submitted to CE Broker by FPMA once the conference is over, all hours have been verified, and, for FPMA members, all 2017 membership dues have been paid in full. Florida Podiatric Physicians and X-Ray Assistants can view these hours via their CE Broker account at www.cebroker.com. Podiatric Physicians from other states will be mailed certificates showing total CECH earned by attending SAM 2018.

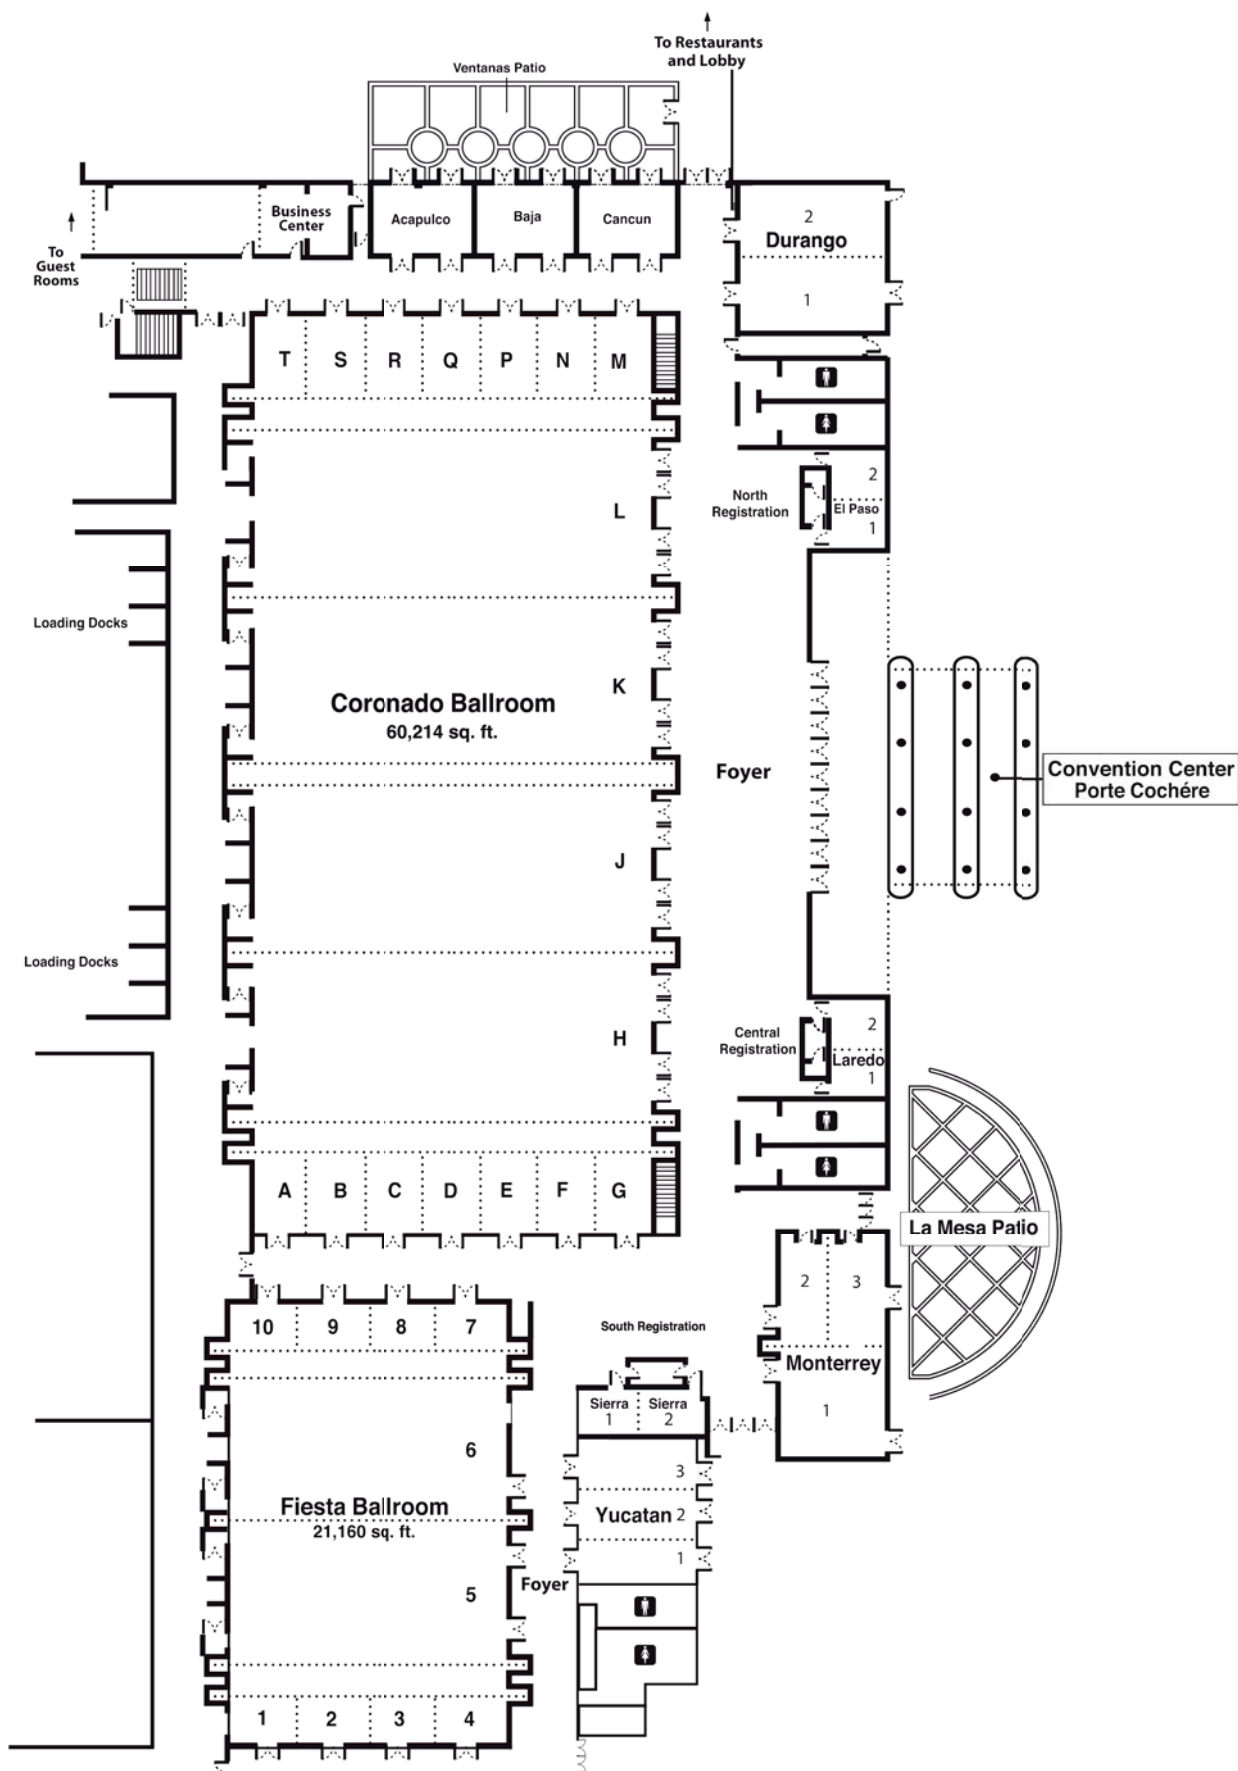

SAM attendees will be awarded up to 32.0 continuing education contact hours, depending on tracks attended. CECH are calculated hour-per-hour based on courses attended (time taken for breaks and meals are NOT counted); e.g., a 30 minute Science lecture will earn 0.5 Science credit hours, a one hour Science lecture will earn 1.0 Science credit hours, a 1.5 hour Practice Management lecture will earn 1.5 PM credit hours, etc.

In Florida, Practice Management hours are not required and are limited to 3.0 hours per biennium; Risk Management is limited to 1.0 hour per biennium; Laws & Rules is limited to 1.0 hour per biennium; and Medical Errors is limited to 2.0 hours per biennium. The remainder of the hours can be Scientific.

DISNEY'S CORONADO SPRINGS RESORT

DISNEY'S CORONADO SPRINGS RESORT

Welcome to SAM 2018!

The Florida Podiatric Medical Association is excited to bring you SAM 2018, which highlights the latest procedures, speakers, and new products in podiatric medicine and surgery.

- We have an outstanding group of speakers providing information on a variety of subjects, from Updates on HIPAA, MIPS, and Health Information Technology to the Young Practitioner's Track. Other tracks include AAPSM Lectures, the Bako Diagnostics Program, ASPM Lectures, and Orthoplastic Lectures.
- There are three Non-CECH Lunch Programs being offered this year. These informative lunch and learn programs will take place the first three days of the conference. On Wednesday, January 10 from 12:00 p.m. to 1:00 p.m., Tracy Vlahovic, DPM will be presenting "Toenail Onychomycosis & Diabetes: A Population of Significance". Another Non-CECH Lunch program will take place on Thursday, January 11 from 12:00 p.m. to 1:30 p.m. The topic that day will be "A Podiatry Focus on the Clinical Implications of Chronic Gout", presented by Allan Morton, D.O. On Friday, January 12 from 12:00 p.m. to 1:30 p.m., John Doolan, DPM and Jeffrey Karr, DPM will present "Supporting Healing Across the Continuum with a Diverse Portfolio". No CECH's will be earned by attending these lunch programs, lunch will be complimentary, and space in each is limited to the first 100 attendees that sign up.
- Florida required lectures are being presented on Friday (Laws and Rules), Saturday (Medical Errors), and Sunday (Risk Management).
- The SAM Exhibit Hall is bigger and better this year! It will be open from Thursday through Saturday and SAM attendees and their guests are encouraged to visit with the vendors and see demonstrations of the latest products and services in podiatric medicine and surgery. Make sure you take some time to check out the SAM 2018 Exhibit Hall and all it has to offer.
- The Wright Surgical Training Center is back again this year, this time INSIDE the SAM Exhibit Hall! Labs will take place Thursday through Saturday and sessions are expected to fill up quickly (see pages 14 and 15 for additional information). SAM attendees can visit the Wright Surgical Training Center where they can check the availability of the labs and sign up. Please note that space is limited and attendance of the labs earns NO CECH.
- There are THREE outstanding Assistant programs being offered during SAM 2018: 1) the Front Office/Back Office Assistant program takes place on Friday and Saturday; 2) the ASPMA Medical Assistants program will take place on Friday, with an exam being offered on Saturday; and 3) the Board-certified X-ray Certification Program for X-ray assistants will take place on Saturday, with the X-ray Assistant examination for initial licensure being offered on Sunday morning.
- SAM Family Night is back and will take place on Friday, January 12. Bus transportation will be provided from the Coronado Springs Resort to Epcot for attendees that have purchased tickets in advance.
- The FPMA Presidential Gala will take place on Saturday, January 13. The theme will be "A Night in Santorini". Join us for an evening of drinks, dinner, and dancing, with music provided by the Stolen Fruit Band. Cocktails and Hors d'oeuvres will be served from 6:30 p.m. - 7:30 p.m., and dinner and dancing will take place from 7:30 p.m. - 11:00 p.m. (be sure to bring your ticket for entry). Blue and/or white attire is requested. Adults Only please. There is no charge for the first two attendees; each additional guest ticket costs \$35.00. If you pre-registered for the Gala, your tickets will be in your registration packet when you pick it up at the SAM Registration Desk. If you need Gala tickets, they will be available at the SAM Registration Desk if spots are still available.

Be prepared to learn and have a great time at SAM 2018!

Note About Lunches:

- * Lunch tickets can be found in attendees' packets.
- * The Front/Back Office Assistant program will begin at 1:00 p.m. on Friday (***Front/Back Office Assistants are on their own for lunch on Friday.***)
- * Lunch will be provided for Physicians/Exhibitors on Thursday and Friday.
- * Lunch will be provided for Physicians/Assistants/Exhibitors on Saturday.
- * Food and drink are also available for purchase in the hotel.

Physician Schedules At-A-Glance

ORTHOLOC™ 3Di

Small Bone Plating System

Comprehensive 5th Metatarsal Solutions

Three different plates specifically designed to address Zone I, II, and III fractures.

ANKLE FRACTURE LP SYSTEM

Precise Syndesmotic Fixation

New low-profile plates designed to address multiple fracture patterns and syndesmotic injuries.

Jones Fracture Plate

Hook Plate

Y-Plate

Experience the next generation of foot & ankle fracture plating solutions. Contact your local Wright representative for more information

[illegible]

CURRENT BIENNIUM: APRIL 1, 2016 - MARCH 31, 2018
CONTINUING EDUCATION REQUIREMENTS FOR BIENNIAL LICENSURE RENEWAL
TOTAL HOURS NEEDED: 40

Mandatory (Per General Counsel for the Board):

- 1 hour Laws and Rules - Can only be used one time.
- 2 hours Medical Errors - Can only be used one time.
- 1 hour Risk Management - Up to 3 hours can be used if 3 hours of non-mandatory PM are not being counted.
- 1 hour AIDS - Required in the initial biennium and first renewal biennium; not required thereafter.
- Remainder can be made up of Scientific hours.

If you have just obtained your license (Board Rule 64B18-17.005):

- 2 hours Medical Errors
- 1 hour AIDS for this biennium and the following biennium
- 5 hours Risk Management, earned by attending one full day of a meeting of the Board of Podiatric Medicine at which disciplinary hearings are conducted.

Note: While not required, licensees may earn up to 3 hours per biennium in Practice Management.

Wright welcomes you to join us on our Surgical Training Center at Science & Management Symposium (SAM) 2018!

Location

Disney's Coronado Springs Resort
1000 West Buena Vista Drive
Orlando, FL 32830

FOR MORE INFORMATION please contact:

Eric Brinkman, DSL II • Wright Medical
Phone: 407.592.9472
Fax: 866.203.9796
Email: Eric.Brinkman@wright.com

Overview

Wright has partnered with SAM to bring you world class medical education directly in the Exhibit Area at SAM 2018 at Disney's Coronado Springs Resort. Please visit Wright's Surgical Training Center for a tour of this outstanding teaching tool and, consider taking part in one of the many labs offered throughout SAM. See our SAM 2018 Schedule below for Cadaver Lab offerings. If you are interested in registering, simply RSVP directly to eric.brinkman@wright.com. These fill up quickly so, please RSVP soon.

The American Microsurgical Orthoplastic Society (AMOS) will host two labs on the topic of OrthoPlasty on the Wright Surgical Training Center on Friday and Saturday. If you are interested in learning more about AMOS or, registering for one of the Orthoplastic sessions during SAM, please contact Executive Director, Sarah Inciong at inciongs@gmail.com or 312.286.6550

PHYSICIAN INFORMATION

SAM 2018 PODIATRIC PHYSICIAN PROGRAM

BAKO DIAGNOSTICS PROGRAM

Friday, January 12, 2018, Track I

- 9:00 a.m. - 9:45 a.m. **Update on Melanoma (S) - Bryan Markinson, DPM**
(Location: Fiesta 6)
- 1:30 p.m. - 2:30 p.m. **Dermoscopy of Acral Melanoma (S) - Bryan Markinson, DPM**
(Location: Fiesta 6)

Friday, January 12, 2018, Track III

- 10:00 a.m. - 11:30 a.m. **2018 Podiatric Dermatology Update - "Hands-on" Biopsy Workshop (S)-**
Bryan Markinson, DPM
(Location: Coronado H)
(pre-registration required, no fee, limited to 50 attendees)

Continuing Education Contact Hours (CECH) Scanning Policy

Every attendee of the SAM 2018 Podiatric Physician Program will be assigned a scanning name badge upon check-in. This badge will need to be scanned at the **beginning and end of each session** you attend in order to determine the exact time of attendance and assign Continuing Education Contact Hours (CECH) accordingly. You must scan in and out of each lecture hall that you enter in order to receive CECH. Some lectures/workshops will also require that you sign in prior to attending.

Total CECH will be calculated from the scanning name badges that each physician uses to enter the lecture halls. Those contact hours will be submitted to CE Broker by FPMA once the conference is over, all hours have been verified, and, for FPMA members, all 2017 membership dues have been paid in full.

A log will be posted in the registration area each day for you to review your earned hours and submit corrections, if necessary. FPMA recommends that ALL Physician attendees check this log each day of the conference to make sure they are receiving the correct number of CECH. It is best to verify your CECH information is correct while you are on-site at the conference, rather than after the conference has ended.

In Florida, a total of **40 CECH** is necessary for Podiatric Physician relicensure. Practice Management hours are not required and are limited to 3.0 hours per biennium; Risk Management is limited to 1.0 hour per biennium; Laws & Rules is limited to 1.0 hour per biennium; and Medical Errors is limited to 2.0 hours per biennium. The remaining hours earned can be Scientific.

SAM 2018 Physician Schedule

Wednesday, January 10, 2018

7:00 a.m. - 5:00 p.m. SAM Registration Desk Open (South Registration Desk)
7:45 a.m. - 8:15 a.m. Continental Breakfast (Fiesta Lobby)

TRACK I: Lectures (Fiesta 6)

8:15 a.m. - 9:15 a.m. Current Trends for Hallux Rigidus: When to Fuse vs. When to Fix (S) -
Christopher Bromley, DPM
9:15 a.m. - 9:45 a.m. Total Contact Casting (S) - Christopher Bromley, DPM
9:45 a.m. - 10:30 a.m. BREAK (Fiesta Lobby)
10:30 a.m. - 11:00 a.m. Negative Pressure Wound Therapy in Contaminated Infected Wounds (S) -
Robert Goecker, DPM
11:00 a.m. - 11:30 a.m. Surgical Considerations with Emergent Infection Decompression (S) -
Robert Goecker, DPM
12:00 p.m. - 1:00 p.m. LUNCH (on your own) OR
Non-CECH Lunch Program Sponsored by APMA/Ortho-Dermatologics: Toenail
Onychomycosis & Diabetes: A Population of Significance - Tracey C. Vlahovic, DPM
(No CECH earned, no fee required; limited to 100 attendees) (Location: Coronado J)
1:00 p.m. - 3:00 p.m. Caveats, Pitfalls, and Roadblocks...Improving Your Podiatric Practice (PM) -
Drs. John Leardi, John Guiliana, Jeffrey Frederick, and Alan Bass
3:00 p.m. - 3:30 p.m. BREAK (Fiesta Lobby)
3:30 p.m. - 5:15 p.m. Updates on HIPAA, MIPS, and Health Information Technology (PM) -
Michael Brody, DPM

TRACK II: Workshop (Fiesta 3 & 4)

10:30 a.m. - 12:00 p.m. Arthroscopic Sawbones Workshop: Anatomy & Motion Preserving Technology for Hallux
Rigidus (S) - Robert Hoover, DPM
(pre-registration required, no fee, limited to 25 attendees)
12:00 p.m. - 1:00 p.m. LUNCH (on your own) OR
Non-CECH Lunch Program Sponsored by APMA/Ortho-Dermatologics: Toenail
Onychomycosis & Diabetes: A Population of Significance - Tracey C. Vlahovic, DPM
(No CECH earned, no fee required; limited to 100 attendees) (Location: Coronado J)

hour for hour (coffee breaks and meal
breaks do NOT count toward contact
hours).*

SAM 2018 Physician Schedule (cont.)

Thursday, January 11, 2018

7:00 a.m. - 5:00 p.m.

SAM Registration Desk Open (South Registration Desk)

7:15 a.m. - 7:45 a.m.

Continental Breakfast (Fiesta Lobby)

8:45 a.m. - 5:00 p.m.

Exhibit Hall Open (Veracruz B & C)

TRACK I: Lectures (Fiesta 6)

7:45 a.m. - 8:15 a.m.

Lower Leg Traumatic Pseudo Aneurysms (S) - Robert Goecker, DPM

8:15 a.m. - 9:00 a.m.

Small Vessel Arterial Disease, Can Anything be Done? (S) - Oscar Sosa, MD

9:00 a.m. - 9:45 a.m.

Venous Disease: Understanding Edema, Its Causes, and What We Can Do (S) -

Marlene Reid, DPM

9:45 a.m. - 10:30 a.m.

BREAK IN EXHIBIT HALL (Veracruz B & C)

10:30 a.m. - 11:30 a.m.

Solving the Compliance Riddle with Compression Garments (S) - Jeffrey Lehrman, DPM

11:30 a.m. - 12:00 p.m.

DVT Protocols in Podiatric Surgery (S) - Robert Smith, DPM

12:00 p.m. - 1:30 p.m.

Non-CECH Lunch Program Sponsored by APMA/Horizon Pharma, Inc.:

A Podiatry Focus on the Clinical Implications of Chronic Gout - Allan Morton, D.O.

(No CECH earned, no fee required; limited to 100 attendees) (Location: Coronado J)

PHYSICIAN/EXHIBITOR LUNCH IN EXHIBIT HALL (Veracruz B & C)

12:00 p.m. - 1:30 p.m.

Overlooked Drug Interactions (S) - Robert Smith, DPM

1:30 p.m. - 2:00 p.m.

Pain Management and Opioid Safety (S) - Stephen Meritt, DPM

2:00 p.m. - 3:00 p.m.

BREAK IN EXHIBIT HALL (Veracruz B & C)

3:00 p.m. - 3:45 p.m.

Utmost Importance of the Forefoot in Mastering Orthotics (S) - Louis DeCaro, DPM

3:45 p.m. - 4:15 p.m.

Mastering & Solving Patient Orthotic Complaints (S) - Louis DeCaro, DPM

4:15 p.m. - 4:45 p.m.

Successful Patient Education of the Non-symptomatic Flatfoot (S) - Louis DeCaro, DPM

4:45 p.m. - 5:15 p.m.

Actual Biomechanical Cases You Probably Always Get Wrong (S) - Louis DeCaro, DPM

5:15 p.m. - 5:45 p.m.

TRACK II: Lectures (Fiesta 5)

7:45 a.m. - 8:15 a.m.

Cold Laser Applications in Podiatry (S) - Christopher Bromley, DPM

8:15 a.m. - 8:45 a.m.

When Things Go Wrong (S) - Thomas Fusco, DPM

8:45 a.m. - 9:45 a.m.

Dermatological Updates 2018 (S) - Tracey C. Vlahovic, DPM

9:45 a.m. - 10:30 a.m.

BREAK IN EXHIBIT HALL (Veracruz B & C)

11:30 a.m. - 12:00 p.m.

Extraosseous Talotarsal Stabilization - Work of the Devil or Game Changer? (S) -

Michael Graham, DPM

12:00 p.m. - 1:30 p.m.

Non-CECH Lunch Program Sponsored by APMA/Horizon Pharma, Inc.:

A Podiatry Focus on the Clinical Implications of Chronic Gout - Allan Morton, D.O.

(No CECH earned, no fee required; limited to 100 attendees) (Location: Coronado J)

PHYSICIAN/EXHIBITOR LUNCH IN EXHIBIT HALL (Veracruz B & C)

12:00 p.m. - 1:30 p.m.

ASPM LECTURES

1:30 p.m. - 2:00 p.m.

Special Shoes and Braces to Prevent Falls in the Elderly (S) - Jonathan Moore, DPM

2:00 p.m. - 2:30 p.m.

A New Antibiotic to Treat Infected Wounds and Osteomyelitis (S) - Peter Everts, Ph.D.

2:30 p.m. - 3:00 p.m.

Dermoscopy - A Non-Invasive Way to Determine if a Lesion Requires a Biopsy (S) -

Steve McClain, MD

3:00 p.m. - 3:45 p.m.

BREAK IN EXHIBIT HALL (Veracruz B & C)

3:45 p.m. - 4:15 p.m.

Radiographic Review & Clarification (S) - Albert Armstrong, DPM

4:15 p.m. - 4:45 p.m.

Case Studies in the Podiatric Management of Connective Tissue Disorders (S) -

Robert Marcus, DPM

4:45 p.m. - 5:30 p.m.

The Management of Non-Adherence in the Geriatric Population (S) - Elliot Udell, DPM

6:00 p.m. - 7:00 p.m.

**Cocktail Reception (Beer & Wine) -
Location: Fiesta Lobby**

Cocktail Reception sponsored by:

Podiatry is Our Business!

Proudly Made in the U.S.A.

Do you know where your products are made? Gordon Laboratories is proud to say we manufacture all of our products in the USA. We manufacture the first pharmaceutical specialty line for podiatry more than sixty years ago in southern Philadelphia, and today we produce the largest selection of topical podiatric pharmaceuticals.

Learn more about Gordon Laboratories from our website at gordonlabs.net, or call us at 1-800-356-7870.

*Often Imitated
Never Duplicated*

Gormel Creme
20% Urea

NET CONTENTS 4 OZ.
Gordon Laboratories • Upper Darby, PA 19082 USA

Urea is known for its hydration and keratolytic properties. Gormel Creme—with 20% Urea and a blend of rich emollients—moisturizes, exfoliates, and softens the skin. Gormel prevents and controls the painful cracked skin that can form on heels, and restores the skin to a healthy, radiant look.

Often imitated, never duplicated. Gormel Creme is the standard by which other Urea creams are measured.

Teamwork.

The Strength of Gordochom and the Added Protection of Mycomist

Gordochom, our powerful broad spectrum topical antifungal attacks fungus at its source with undecylenic acid. Mycomist, our unique fungicide for use only in shoes, kills your road to attack fungus in footwear since fungus can't live from the foot to the shoe.

For over sixty years Gordon Laboratories is the name podiatrists have trusted most for their topical pharmaceutical needs. For further information, call Gordon Laboratories at 1-800-356-7870. Also available through your podiatry doctor.

Mission Statement of the Florida Podiatric Medical Association's Science & Management Symposium (SAM)

The Florida Podiatric Medical Association's educational mission is to promote continuing education in podiatric medicine, podiatric surgery, and practice management through workshops and seminars. Our commitment is to increase knowledge by offering every registrant the educational assistance needed to improve care for their patients and be successful in practice by promoting the benefits of scientific advancement in the treatment, prevention, and alleviation of podiatric ailments.

Approval

The Florida Podiatric Medical Association is approved by the Council on Podiatric Medical Education (CPME) as a sponsor of continuing education in podiatric medicine.

Intended Audience

Podiatric residents and doctors of podiatric medicine.

Continuing Education Contact Hours (CECH) Awarded

Up to **32.0** Continuing Education Contact Hours (CECH) offered, depending on tracks attended.

Disclosure

Each speaker is required to disclose the existence of any financial and/or other relationships (e.g., employee, consultant, speaker's bureau, grant recipient, research support) he/she might have with (a) the manufacturer(s) of any commercial product(s) to be discussed during his/her presentation and/or (b) the commercial contributor(s) of the activity. Any such conflict will be announced by the individual introducing the speaker or by the speaker immediately preceding the lecture.

email: importantinfo@fpma.com

Educational Program Objectives

AT THE CONCLUSION OF THIS PROGRAM, ATTENDEES WILL BE ABLE TO:

- Evaluate complex foot and ankle deformities and recognize proper treatment protocols in limb salvage;
- Better appreciate the use of advanced frame techniques in foot and ankle surgery;
- Understand the biomechanics of various lower extremity disorders and the role of proper evaluation and treatment;
- Appreciate the latest advances in wound care in the lower extremity;
- Appreciate the systemic aspects of diabetes mellitus, including prevalence, diagnosis and latest treatment protocols;
- Update their knowledge of dermatological conditions that present in lower extremity, including knowledge of melanoma of the foot;
- Gain updated knowledge of treatment of athletes;
- Improve their knowledge of the latest treatments for foot and ankle conditions that have an evidence based treatment protocol; and
- Understand the importance of proper ethical decisions in patient care to reduce medical errors.

Conditions for which DuraDerm™ may be indicated:

Use on clean, dry wounds

For patients where minor wound healing is slower and more difficult due to weakend immune system

Heel fissures or other fissures of the foot

Closed surgical incisions & excisions

Blisters

Corns or calluses (post debridement)

NEW MICROBICIDAL TECHNOLOGY

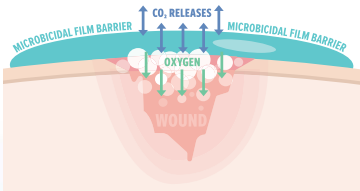

DURADERM®

PREVENTS INFECTION + PROMOTES HEALING

DuraDerm® is an innovative microbicidal protective film barrier that prevents infection and promotes healing by killing bacteria, fungi and viruses on contact.

How does DuraDerm™ prevent infection & promote healing?

- + Creates a microbicidal barrier that kills fungi, viruses and bacteria on contact
- + Protective barrier jumpstarts healing process by preventing oxygen entry into the wound
- + Lowers wound pH by increasing CO₂
- + Capillary system brings oxygen to the wound, fueling re-epithelialization

Come by Booth 155 to see the abstract on the treatment of Heel Fissures with DuraDerm and receive a free sample

SAM 2018 ASSISTANT PROGRAMS

PODIATRIC X-RAY ASSISTANTS - INITIAL LICENSURE AND RECERTIFICATION

The Podiatric X-Ray Assistant program takes place on Saturday, January 13, 2018 during SAM 2018 in **Veracruz A.** The eight hour course (which includes a two-hour mandatory Medical Errors course) is for Initial Licensure and Recertification of Podiatric X-Ray Assistants. 1:00 p.m. - 3:00 p.m.	X-Ray Lectures (cont.)
3:00 p.m. - 3:30 p.m.	Break
3:45 p.m. - 5:45 p.m.	Medical Errors (with Physicians)

Sunday, January 14, 2018

8:30 a.m. - 10:00 a.m.	X-Ray Assistants Exam (Initial Licensure Only)
------------------------	---

ASPMA MEDICAL ASSISTANTS PROGRAM & EXAM

The American Society of Podiatric Medical Assistants (ASPMA) has over 1,400 members whose purpose is to improve the profession of Podiatric Medical Assisting by providing educational opportunities for its members, allowing them the privilege of attaining Certification in either the Clinical or Administrative category. They also provide the opportunity for fellowship and friendly relations with others in their profession.

The ASPMA is an affiliated organization of the American Podiatric Medical Association (APMA), the professional organization of Podiatrists.

The Medical Assistants Program takes place on Friday, January 12, 2018 from 8:00 a.m. - 5:00 p.m. during SAM 2018 in **Fiesta 10** at Disney's Coronado Springs Resort. The Medical Assistants Exam will take place in **Fiesta 10** on Saturday, January 13, 2018 from 8:00 a.m. - 12:00 p.m.

SAM 2018 Assistant Programs

SAM 2018 ASSISTANT PROGRAMS (cont.)

Tolcysten™

Discover why hundreds of your colleagues have made Tolcysten™ their standard treatment for onychomycosis and other nail pathologies.

- Low molecular weight, low surface tension formula can penetrate to the nail bed
- Clinically proven to kill fungus and improve nail appearance in as little as 10 days
- Combination of anti-fungal medication, urea, lactic acid and nail renewal ingredients
- Available without a prescription in a patient preferred tube/brush system

Dispensed by
Physicians Only

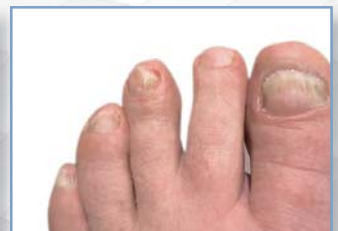

"I have dispensed Tolcysten Solution to over 800 of my patients in the last 12 months. The results have been impressive. For the first time in my career as a physician, I have found a product that positively impacts the treatment of a variety of chronic nail conditions. It is the first product I have found that can rapidly penetrate to the nail bed and improve nail appearance in a matter of weeks for most patients. My patients love the easy to use applicator brush and tube system which introduces the medication around, under and over the nails."

– Charles J. Gudas, DPM

Forever Loyal

To show our loyalty to the podiatric profession that supported us over the years, the Rhett Foundation was born.

What is the Rhett Foundation?

The Rhett Foundation represents the next chapter in the professional careers of Bradley W. Bakotic, DPM, DO, and Joseph "Jody" Hackel, M.D., co-founders of their former pathology lab. They've already collectively committed \$2,000,000, to ensure the Foundation will benefit clinicians for years to come. They've recently been joined by G. Dock Dockery, DPM as a contributing founder.

Why Was it Designated the "Rhett" Foundation?

"Rhett" is a Hungarian Vizsla. Dogs don't betray and protect those who have supported them. A dog's loyalty is inspiring; and so has been that of the podiatric profession!

What Will the Foundation Do?

The Rhett Foundation is dedicated to the advancement of podiatric medical education. Our projects will include publishing a comprehensive textbook on podiatric dermatology, funding of scientific research, providing educational grants to support CME education, support of podiatric associations and schools, sponsor and work with podiatric organizations to develop better podiatric dermatology content, and develop a podiatric dermatology learning center, that will welcome both residents and clinicians.

**For the Advancement of
Podiatric Medical Education**
