Aspiration Biopsy (Soft Tissue Mass)

Aspiration Biopsy (Soft Tissue Mass)
CPT® 20612 Aspiration and/or injection of ganglion cyst(s) any location

2512 Aspiration and/or injection of bone marrow for aspiration biopsy:

ICD-10-CM codes to consider for aspiration biopsies:

- M67.4 Ganglion
- D69.2 Neoplasm of unspecified behavior of bone, soft tissue, and skin
- D21.2 Benign neoplasm of connective and other soft tissue of lower limb, site unspecified
- D48 Neoplasm of uncertain behavior of (Joint or Bursa)

ICD-10-CM codes to consider for aspiration and/or injection:

- M67.4 Ganglion
- D69.2 Neoplasm of unspecified behavior of bone, soft tissue, and skin
- D21.2 Benign neoplasm of connective and other soft tissue of lower limb, site unspecified
- D48 Neoplasm of uncertain behavior of (Joint or Bursa)

ICD-10-CM codes to consider for aspiration and/or injection:

- M67.4 Ganglion
- D69.2 Neoplasm of unspecified behavior of bone, soft tissue, and skin
- D21.2 Benign neoplasm of connective and other soft tissue of lower limb, site unspecified
- D48 Neoplasm of uncertain behavior of (Joint or Bursa)

D21.2 Benign neoplasm of soft tissue

Aspiration / Arthrocentesis
CPT® 20600 Arthrocentesis, aspiration and/or injection; major joint, single
CPT® 20605 Arthrocentesis, aspiration and/or injection; minor joint, single
to consider for aspiration / arthrocentesis:

Bone Biopsy

CPT®2022 Biopsy, bone, open; superficial
CPT®20240 Biopsy, bone, open; superficial

ICD-10-CM codes to consider for bone tumor

D49.2- Neoplasm of bone and articular cartilage

[illegible]

Nail Unit
CPT® 1275

ICD-10-CM Coding Summary

A hyphen (-) at the end of an ICD-10-CP code stem indicates additional characters are required to complete the diagnostic code.

ICD-10-CP Code	ICD-10-CP Code Description
CPT 11302 Tangential biopsy, punch biopsy, incisional biopsy, shave excision	
CPT 11304 Punch biopsy of skin (including skin closure)	
CPT 11306 Incisional biopsy of skin (including skin closure)	
CPT 11308 Shave of epidermal or dermal lesion	

ICD-10-CP codes to report:

- CPT 11302 Tangential biopsy, punch biopsy, incisional biopsy, shave excision
- CPT 11304 Punch biopsy of skin (including skin closure)
- CPT 11306 Incisional biopsy of skin (including skin closure)
- CPT 11308 Shave of epidermal or dermal lesion

20-29 C codes to consider for tangential, punch, incisional biopsies and shave excision

Diagnosis:

- History of trauma
- Physical exam: swelling, tenderness, pain, redness, warmth, bruising, deformity, crepitus, instability, neurovascular compromise
- X-ray: confirm fracture, displacement, comminution, joint involvement
- CT scan: detailed view of bone fractures
- MRI: soft tissue injuries, ligament tears, muscle damage
- Ultrasound: blood flow, deep vein thrombosis

Treatment:

- Immobilization: splint or cast
- Pain management: analgesics
- Swelling reduction: elevation, ice packs
- Wound care: clean, dress, antibiotics if needed
- Surgery: open reduction and internal fixation (ORIF) for displaced fractures
- Rehabilitation: physical therapy for strength and mobility

Complications:

- Compartment syndrome
- Deep vein thrombosis
- Infection
- Nerve injury
- Bone healing issues (nonunion, malunion)

Prevention:

- Proper technique during activities
- Warm-up exercises
- Protective gear
- Avoidance of excessive force

Punch Biopsy
Punch biopsy of skin (including simple closure when appropriate)
Indications to consider when utilizing:

to consider when utilizing punch biopsy for epidermal nerve fiber density and idiopathic neuropathy

Indications for punch biopsy for epidermal nerve fiber density (ENFD):

density (ENFD):

Consider for nail unit biopsy:

- **Behavior for nail unit biopsy:**
 - Specimen should include:
 - Matrix, hyponychium, proximal and lateral nail folds
 - Behavior of bone, soft tissue, and skin
 - Behavior of other and unspecified sites
 - Lam of skin of lower limb, including hip
 - Lower limb, including hip (need laterally)
 - Sites of the skin and soft tissue

of the skin and subcutaneous tissue

IMPORTANT INFORMATION

Intended Audience

Florida Podiatric Medical Association (FPMA) annually convenes the Summer Conference, a podiatric medical and surgical conference. The intended audience of the FPMA 2024 Summer Conference is Doctors of Podiatric Medicine and Podiatric Residents.

Mission Statement

The Florida Podiatric Medical Association's educational mission is to promote continuing education in podiatric medicine, podiatric surgery and practice management through workshops and seminars. Our commitment is to increase knowledge by offering every registrant the educational assistance needed to improve care for their patients and be successful in practice by promoting the benefits of scientific advancement in the treatment, prevention and alleviation of podiatric ailments.

Disclaimer

Products displayed in the FPMA 2024 Summer Conference Exhibit Hall have not been investigated or approved by FPMA with regard to efficiency or regulatory compliance. Each physician should practice their own due diligence regarding claims made about products displayed.

Acceptance of sponsorship at the FPMA 2024 Summer Conference does not imply endorsement or approval of the company, product, or service.

Cancellation Policy

Cancellation requests were required to be submitted in writing and received by May 24, 2024, as indicated on the conference registration forms. No refunds will be issued for no-shows or cancellations received after May 24, 2024.

Force Majeure

FPMA shall not be liable for any failure or delay in performing the 2024 Summer Conference to the extent caused by an event beyond FPMA's reasonable control that renders performance impossible, inadvisable or commercially impracticable, including, but not limited to, an act of God, war, terrorism, government action, disaster, fire, strike, civil disorder, curtailment of transportation facilities, disease or epidemic, failure of third party software or services, default of third-party vendors, or failure (or an interruption or defect) in communications or utility services.

Lost and Found

Please deliver any found items to the on-site registration desk. Items not collected by the end of the 2024 Summer Conference will be discarded or donated.

CODE OF CONDUCT

All participants in FPMA meetings and events (inclusive of attendees, speakers, volunteers, exhibitors, staff, members of the media, vendors, service providers, and guests) shall abide by the following professional behavior expectations:

- Respect the diversity of all participants regardless of gender, gender identity and expression, age, sexual orientation, disability, physical appearance, race, ethnicity, religion (or lack thereof), or technology choices.
- Treat all participants with kindness and consideration, respecting the views and opinions of others (including those you may not share) and critiquing ideas rather than individuals.
- Refrain from demeaning, discriminatory, bullying, or harassing behavior and speech directed toward other participants. Physical or verbal abuse of any participant shall not be tolerated.
- Comply with all rules and policies of the meeting/event venue.
- Refrain from use of sexual or discriminatory images and/or inferences in presentations, public spaces, or in online media.
- Maintain appropriate decorum by not being disruptive during lectures, in the exhibit hall, receptions, or other events.

Any participant who is requested to stop unacceptable behavior is expected to comply immediately. As necessary, FPMA staff or security may take immediate action deemed appropriate, including removal from the meeting or event without warning or refund. FPMA reserves the right to prohibit attendance at any future meeting or event.

This code of conduct shall apply to all venues, including ancillary events and social gatherings and shall be included in materials provided to all participants.

Violations of this Code of Conduct by FPMA members may be referred to the member's component for further adjudication under the FPMA Code of Ethics.

PROGRESSIVE MEDICAL SOLUTIONS
THE INNOVATIVE SUPPORT HEALTHCARE NEEDS

Leading Extremity Distributor

"We distribute and support leading innovation and technologies in the extremity space. Whether it's biointegrative implants that turn into bone, Nitinol, patient specific customization, synthetic grafts, etc. Think of Progressive Medical Solutions as your one stop shop for your lower extremity needs."

Common Procedures we serve:

- Hallux Valgus
- Flatfoot Reconstruction
- Charcot Reconstruction
- Hammertoe Correction
- Fractures
- Arthrodesis/Deformity Correction
- Total Ankle Replacement
- 3D Printed Implants
- Tendon/Ligament Repair
- Biologics

ACCREDITATION INFORMATION

Podiatric Physician Accreditation Statement: The Florida Podiatric Medical Association (FPMA) is approved by the Council on Podiatric Medical Education (CPME) as a provider of continuing education in podiatric medicine. FPMA has approved this activity for a maximum of **8.5** Continuing Education Contact Hours (CECH) during this three-day conference, depending on lectures attended. This conference will take place June 7 - 9, 2024 at the Hyatt Regency Coconut Point Resort and Spa in Bonita Springs, Florida.

In accordance with the CPME, FPMA is required to monitor educational session attendance for verification of CECH. Cards for attendance verification will be provided to each 2024 Summer Conference Physician and X-Ray Assistant attendee when they check in at the conference.

CECH functions are for registered attendees only. CECH credits are based on attendance of educational sessions; sessions specified as "Non-CECH" in the conference program are not included in compiling CECH credits.

FPMA will provide attendees with a Certificate of Attendance that reflects only the number of CECH documented via their attendance verification cards. CECH will be reported to CE Broker on behalf of 2024 Summer Conference Physician and X-Ray Assistant attendees currently licensed in the state of Florida. Each attendee is responsible for reporting attendance to all appropriate boards and agencies requiring continuing education by providing a copy of their 2024 Summer Conference Certificate of Attendance.

Certificate of Attendance: To ensure FPMA continues to provide a meaningful educational program and exceptional conference experience, FPMA requests all attendees complete an overall conference evaluation prior to receiving their Certificate of Attendance. Attendees will receive an email from FPMA with a link to complete an overall conference evaluation within three (3) weeks of the conclusion of the conference, pending all conference fees being paid and attendance verified by FPMA. The Certificate of Attendance will be provided for printing/downloading in PDF format once the overall conference evaluation is completed.

Continuing Education and Credentialing: FPMA is approved by the CPME as a provider of continuing education in podiatric medicine. FPMA has approved this activity for a maximum of **8.5 CECH**. As is the case with all specialty societies and colleges, FPMA is not a credentialing organization and does not conduct licensing or certification processes. The principal purpose of FPMA is to facilitate education in the area of podiatric medicine and surgery. This activity is viewed to reinforce and support licensing and certification processes.

Cancellation Policy: Cancellation requests were required to be submitted in writing and received by May 24, 2024, as indicated on the conference registration forms. No refunds will be issued for no-shows or cancellations received after May 24, 2024.

Continued on Next Page

ACCREDITATION INFORMATION (cont.)

Disclosure of Conflict of Interest: Each speaker is required to disclose the existence of any financial and/or other relationships (e.g., employee, consultant, speaker's bureau, grant recipient, research support) they might have with (a) the manufacturer(s) of any commercial product(s) to be discussed during their presentation and/or (b) the commercial contributor(s) of the activity. Any such conflict will be announced by the individual introducing the speaker immediately preceding the lecture.

Cost to the Learner: FPMA 2024 Summer Conference attendees paid a range of registration fees based on their current membership status in APMA and/or FPMA as well as the date they registered for the conference (the various registration fees were provided in the FPMA 2024 Summer Conference Physician registration form). Non-APMA/FPMA members paid the full registration fee of \$349 (by April 26, 2024) or \$399 (after April 26, 2024).

CE Non-Discrimination Policy: FPMA is committed to nondiscrimination based on race, creed, color, gender, religion, national origin, age, or disability. This commitment applies in all areas to applicants, members, visitors, students, staff, faculty, and others who are affiliated with the Association. This policy addresses recruiting, hiring, training, promotions, education, and applicable employment conditions. This policy is also concerned with the choice of contractors, speakers, suppliers of goods and services, Association-sponsored programs and activities. In addition, FPMA includes a Comments/Special Needs field on all conference registration forms. These are reviewed regularly to identify attendee accessibility requirements. FPMA personnel then work with the (ADA compliant) host hotel and attendee directly to assist with providing any assistance to participate in the conference educational activities.

FPMA Policy on Privacy and Confidentiality: FPMA does not use any presentation styles containing live or video depictions of patients whose identities would need to be protected. The FPMA Convention Committee reviews conference presentations prior to conferences and one of the items that is verified is that there are no patient identifiers on any presentation slides. The policy for privacy of patient information is communicated by the moderator during each conference speaker introduction.

Photography: Please be advised that photographs taken during the 2024 Summer Conference will be used on FPMA social media pages and in marketing materials and publications accessible by the public. By attending the 2024 Summer Conference, you consent to the use of your image and likeness for the purposes mentioned above.

ATTENDANCE VERIFICATION

Verification Process

Each FPMA Summer Conference Physician attendee will receive a CECH sign-in card for each day of the conference (Friday, Saturday, and Sunday) upon check-in at the FPMA Summer Conference registration desk. Physician attendees must complete and sign the appropriate CECH sign-in card for each day attended as well as check off the courses attended that day on the back of the CECH sign-in card in order to receive CECH for attending the FPMA 2024 Summer Conference. CECH sign-in cards will NOT be accepted until after daily lectures have ended and only for the date the lectures took place.

Each FPMA Summer Conference Podiatric X-Ray Assistant attendee will receive a CECH sign-in card for attendance of the FPMA X-Ray Assistant program on Saturday, June 8 upon check-in at the FPMA Summer Conference registration desk. Podiatric X-Ray Assistants must complete and sign the CECH sign-in card on Saturday after the X-Ray Assistant program has ended as proof that they attended the program.

Physicians

Friday, June 7, 2024

Conference physician attendees must complete the front and back of the Friday CECH sign-in card and then drop it into the clear box located inside the Summer Conference Exhibit Hall (Calusa DE) after the final lecture ends at 12:45 p.m.

Saturday, June 8, 2024

Conference physician attendees must complete the front and back of the Saturday CECH sign-in card and then drop it into the clear box located inside the Summer Conference Exhibit Hall (Calusa DE) after the final lecture ends at 12:45 p.m.

Sunday, June 9, 2024

Conference physician attendees must complete the front and back of the Sunday CECH sign-in card and then drop it into the clear box located outside the Lecture Hall (Calusa FGH) after the final lecture ends at 10:00 a.m.

X-Ray Assistants

Saturday, June 8, 2024

Conference Podiatric X-Ray Assistant attendees must complete the front of the X-Ray Assistant CECH sign-in card and then drop it into the clear box located inside the lecture hall (Calusa H) after the Medical Errors course has ended.

General Information

Total CECH will be calculated from each physician's completed CECH sign-in card(s) turned in during the FPMA 2024 Summer Conference. The total CECH earned will be submitted to CE Broker by FPMA within two weeks after the conference has taken place. Florida Podiatric Physicians will be able to view these hours via their CE Broker account at www.cebroke.com. Podiatric Physicians from other states will be sent certificates showing total CECH earned by attending the FPMA 2024 Summer Conference.

FPMA 2024 Summer Conference physician attendees will be awarded up to 8.5 Continuing Education Contact Hours (CECH), depending on lectures attended. Continuing Education Contact Hours are calculated hour-per-hour based on courses attended (time taken for breaks and meals are NOT counted); e.g., a 30 minute Science lecture will earn 0.5 Science credit hours, a one-hour Science lecture will earn 1.0 Science credit hours, a 1.5 hour Practice Management lecture will earn 1.5 PM credit hours, etc.

CONFERENCE OBJECTIVES

At the conclusion of this conference, attendees will be able to:

Managing Peripheral Nerve Pain: Concepts and Surgical Treatment Options

- Learn principles of peripheral nerve pathologies affecting the human lower extremities
- Review the basic anatomy and physiology of peripheral nerves
- Understand treatment protocols of the lower extremities chronic pain conditions

Podiatric Dermatology Protocols for Better Patient Outcomes

- Understand differences between medical protocols, guidelines, best practices
- Learn about Florida Statutes with regard to standard of care
- Attain mastery for determining when a fungal appearing nail is not fungal
- Improve patient outcomes for common lower extremity dermatologic conditions

Gaining Proficiency in Minimally Invasive Hallux Valgus Surgery: Surgical Technique, Pearls, and Post-Operative Protocol

- Learn how minimally invasive Hallux Valgus Surgery can improve radiographic and clinical outcomes, along with improving patient satisfaction
- Provide educational experience to improve knowledge, competence, performance and patient outcomes for Podiatric surgeons when performing Minimally Invasive Hallux Valgus surgery

Configuring Your Practice to Achieve the Best Patient Outcomes

- Maintain the focus of their medical practice on improved patient care rather than malpractice defense
- Structure their practices for lawsuit protection and prevention, improving overall operations management of the practice
- Protect practice and professional assets from lawsuits through applied risk management techniques
- Understand basic practice management tools that can help decrease unnecessary loss of revenue

Engaging with Patients to Educate Them About Services You Provide

- Properly communicate and guide patients to proper footcare with the help of marketing both online and in the waiting room
- Take Orthotics from “Hidden or INVISIBLE” to properly showcasing and promoting Orthotics

Your Practice is Your Patient: Applying Clinical Skills to Manage Your Small Business

- Identify administrative and operational challenges that physician owners face
- Explain how physician owners can apply their clinical skills to effectively manage their financial and operational issues
- Learn strategies physician owners can use to improve their reimbursement rates
- Learn the importance of engaging patient populations
- Recognize the importance of networking for sustainability

Continued on Next Page

CONFERENCE OBJECTIVES (cont.)

Value Based Health Care Medicine

- Understand the distinguishing factors of various VBC programs
- Learn the immediate steps providers can implement today to not just engage in but help lead specialty-care focused VBC opportunities

Essential Pearls on External Fixation Application for Charcot Foot; Internal Fixation (Rods, Beams, and Screws) for Charcot Foot; MIS Management of Charcot Foot

- Learn concepts about Charcot Foot
- Understand internal and external fixation in the treatment of Charcot Foot

Muscle Flaps for Limb Salvage Procedures

- Learn how muscle flaps can aid in lower extremity hard to heal wounds
- Learn about different types of muscle flaps
- Learn about the algorithm for muscle flaps

Graft Options for Lower Extremity Wounds (Q Codes vs. A Codes)

- Decide which types of grafts to consider with different types of wounds
- Learn about office-based vs. wound care center vs. hospital-based graft options

Top 10 CPT Code Compliance and Documentation; Skin Substitute Compliance; Fall Risk Assessment Requirements

- Learn proper documentation and coding as it relates not only to reimbursement but also to audit compliance
- Learn about wound care/skin substitute documentation
- Fulfill the fall risk MIPS requirement

MIPS Update 2024

- Identify the Quality Reporting Measures that best fit a Podiatry Practice
- Develop a plan in your office to capture data for MIPS quality reporting
- Select the improvement activities that are most appropriate for your practice

Safeguard Your Livelihood & Your Future

Medical malpractice coverage to protect you – and your podiatry practice.

The PICA Difference

As a healthcare professional, your priority is providing exceptional care to your patients. But no matter how diligent you are, the unexpected can happen. We help protect your practice so you can focus on what matters most: your patients.

We understand that our policyholders seek financial protection and reputation preservation. As a PICA policyholder, you can expect:

- **Customized Coverage**
- **Expert Support**
- **Risk Resources**
