# IMPORTANT INFORMATION

## Intended Audience

Florida Podiatric Medical Association (FPMA) annually convenes the Summer Conference, a podiatric medical and surgical conference. The intended audience of the FPMA 2025 Summer Conference is Doctors of Podiatric Medicine and Podiatric Residents.

## Mission Statement

The Florida Podiatric Medical Association's educational mission is to promote continuing education in podiatric medicine, podiatric surgery and practice management through workshops and seminars. Our commitment is to increase knowledge by offering every registrant the educational assistance needed to improve care for their patients and be successful in practice by promoting the benefits of scientific advancement in the treatment, prevention and alleviation of podiatric ailments.

## Disclaimer

Products displayed in the FPMA 2025 Summer Conference Exhibit Hall have not been investigated or approved by FPMA with regard to efficiency or regulatory compliance. Each physician should practice their own due diligence regarding claims made about products displayed.

Acceptance of sponsorship at the FPMA 2025 Summer Conference does not imply endorsement or approval of the company, product, or service.

## Cancellation Policy

Cancellation requests were required to be submitted in writing and received by May 17, 2025, as indicated on the conference registration forms. No refunds will be issued for no-shows or cancellations received after May 17, 2025.

## Force Majeure

FPMA shall not be liable for any failure or delay in performing the 2025 Summer Conference to the extent caused by an event beyond FPMA's reasonable control that renders performance impossible, inadvisable or commercially impracticable, including, but not limited to, an act of God, war, terrorism, government action, disaster, fire, strike, civil disorder, curtailment of transportation facilities, disease or epidemic, failure of third party software or services, default of third-party vendors, or failure (or an interruption or defect) in communications or utility services.

## Lost and Found

Please deliver any found items to the on-site registration desk. Items not collected by the end of the 2025 Summer Conference will be discarded or donated.

PROGRESSIVE MEDICAL  
SOLUTIONS  
THE INNOVATIVE SUPPORT HEALTHCARE NEEDS

## Leading Extremity Distributor

"We distribute and support leading innovation and technologies in the extremity space. Whether it's biointegrative implants that turn into bone, Nitinol, patient specific customization, synthetic grafts, etc. Think of Progressive Medical Solutions as your one stop shop for your lower extremity needs."

### Common Procedures we serve:

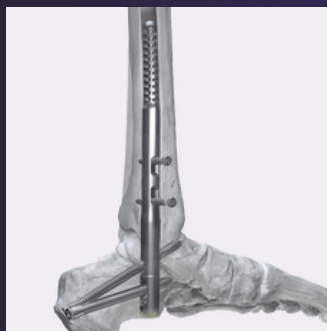

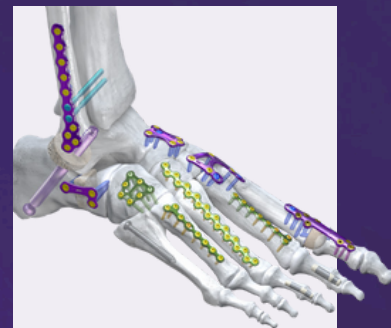

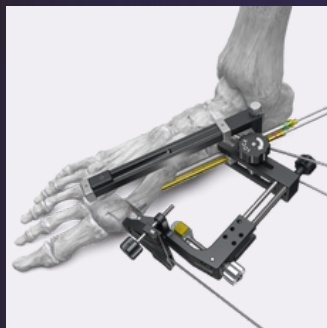

- Hallux Valgus
- Flatfoot Reconstruction
- Charcot Reconstruction
- Hammertoe Correction
- Fractures
- Arthrodesis/Deformity Correction
- Total Ankle Replacement
- 3D Printed Implants
- Tendon/Ligament Repair
- Biologics

# CODE OF CONDUCT

All participants in FPMA meetings and events (inclusive of attendees, speakers, volunteers, exhibitors, staff, members of the media, vendors, service providers, and guests) shall abide by the following professional behavior expectations:

- Respect the diversity of all participants regardless of gender, gender identity and expression, age, sexual orientation, disability, physical appearance, race, ethnicity, religion (or lack thereof), or technology choices.
- Treat all participants with kindness and consideration, respecting the views and opinions of others (including those you may not share) and critiquing ideas rather than individuals.
- Refrain from demeaning, discriminatory, bullying, or harassing behavior and speech directed toward other participants. Physical or verbal abuse of any participant shall not be tolerated.
- Comply with all rules and policies of the meeting/event venue.
- Refrain from use of sexual or discriminatory images and/or inferences in presentations, public spaces, or in online media.
- Maintain appropriate decorum by not being disruptive during lectures, in the exhibit hall, receptions, or other events.

Any participant who is requested to stop unacceptable behavior is expected to comply immediately. As necessary, FPMA staff or security may take immediate action deemed appropriate, including removal from the meeting or event without warning or refund. FPMA reserves the right to prohibit attendance at any future meeting or event.

This code of conduct shall apply to all venues, including ancillary events and social gatherings and shall be included in materials provided to all participants.

Violations of this Code of Conduct by FPMA members may be referred to the member's component for further adjudication under the FPMA Code of Ethics.

FAX: (850) 681-0899  
[www.FPMA.com](http://www.FPMA.com)

# ACCREDITATION INFORMATION

**Podiatric Physician Accreditation Statement:** The Florida Podiatric Medical Association (FPMA) is approved by the Council on Podiatric Medical Education (CPME) as a provider of continuing education in podiatric medicine. FPMA has approved this activity for a maximum of **14.0** Continuing Education Contact Hours (CECH) during this three-day conference, depending on lectures attended. This conference will take place June 6 - 8, 2025 at the Hyatt Regency Coconut Point Resort in Bonita Springs, Florida.

In accordance with the CPME, FPMA is required to monitor educational session attendance for verification of CECH. QR Codes for attendance verification will be accessible to 2025 Summer Conference Physician attendees when they attend breaks in the conference Exhibit Hall. 2025 Summer Conference X-Ray Assistants will be required to sign a sign-in sheet while attending the X-Ray Assistant program.

CECH functions are for registered attendees only. CECH credits are based on attendance of educational sessions; sessions specified as "Non-CECH" in the conference program are not included in compiling CECH credits.

FPMA will provide conference physician attendees with a Certificate of Attendance that reflects only the number of CECH documented via their attendance verification. CECH will be reported to CE Broker on behalf of 2025 Summer Conference Physician and X-Ray Assistant attendees currently licensed in the state of Florida. Each attendee is responsible for reporting attendance to all appropriate boards and agencies requiring continuing education by providing a copy of their 2025 Summer Conference Certificate of Attendance.

**Certificate of Attendance:** To ensure FPMA continues to provide a meaningful educational program and exceptional conference experience, FPMA requests all physician attendees complete an overall conference evaluation prior to receiving their Certificate of Attendance. Physician attendees will receive an email from FPMA with a link to complete an overall conference evaluation within three (3) weeks of the conclusion of the conference, pending all conference fees being paid and attendance verified by FPMA. The Certificate of Attendance will be provided via email in PDF format once the overall conference evaluation is completed.

**Continuing Education and Credentialing:** FPMA is approved by the CPME as a provider of continuing education in podiatric medicine. FPMA has approved this activity for a maximum of **14.0 CECH**. As is the case with all specialty societies and colleges, FPMA is not a credentialing organization and does not conduct licensing or certification processes. The principal purpose of FPMA is to facilitate education in the area of podiatric medicine and surgery. This activity is viewed to reinforce and support licensing and certification processes.

**Cancellation Policy:** Cancellation requests were required to be submitted in writing and received by May 17, 2025, as indicated on the conference registration forms. No refunds will be issued for no-shows or cancellations received after May 17, 2025.

*Continued on Next Page*

# ACCREDITATION INFORMATION (cont.)

**Disclosure of Conflict of Interest:** Each speaker is required to disclose the existence of any financial and/or other relationships (e.g., employee, consultant, speaker's bureau, grant recipient, research support) they might have with (a) the manufacturer(s) of any commercial product(s) to be discussed during their presentation and/or (b) the commercial contributor(s) of the activity. Any such conflict will be announced by the individual introducing the speaker immediately preceding the lecture.

**Cost to the Learner:** FPMA 2025 Summer Conference attendees paid a range of registration fees based on their current membership status in APMA and/or FPMA as well as the date they registered for the conference (the various registration fees were provided in the FPMA 2025 Summer Conference Physician registration form). Non-APMA/FPMA members paid the full registration fee of \$349 (by April 21, 2025) or \$399 (after April 21, 2025).

**CE Non-Discrimination Policy:** FPMA is committed to nondiscrimination based on race, creed, color, gender, religion, national origin, age, or disability. This commitment applies in all areas to applicants, members, visitors, students, staff, faculty, and others who are affiliated with the Association. This policy addresses recruiting, hiring, training, promotions, education, and applicable employment conditions. This policy is also concerned with the choice of contractors, speakers, suppliers of goods and services, Association-sponsored programs and activities. In addition, FPMA includes a Comments/Special Needs field on all conference registration forms. These are reviewed regularly to identify attendee accessibility requirements. FPMA personnel then work with the (ADA compliant) host hotel and attendee directly to assist with providing any assistance to participate in the conference educational activities.

**FPMA Policy on Privacy and Confidentiality:** FPMA does not use any presentation styles containing live or video depictions of patients whose identities would need to be protected. The FPMA Convention Committee reviews conference presentations prior to conferences and one of the items that is verified is that there are no patient identifiers on any presentation slides. The policy for privacy of patient information is communicated by the moderator during each conference speaker introduction.

**Photography:** Please be advised that photographs taken during the 2025 Summer Conference will be used on FPMA social media pages and in marketing materials and publications accessible by the public. By attending the 2025 Summer Conference, you consent to the use of your image and likeness for the purposes mentioned above.

# ATTENDANCE VERIFICATION

## Verification Process

Each FPMA 2025 Summer Conference Physician attendee needs to upload the FPMA app in order to scan a QR code each day of the conference to receive CECH for each day they attend the conference (Friday, Saturday, and Sunday). A sign with the daily QR scanning code will be available in the conference Exhibit Hall (Calusa DE) at 12:30 p.m. (after the conclusion of the final lecture of the morning) on Friday and Saturday. A sign with the QR code will be available outside Great Egret after the final lecture takes place on Sunday.

Each FPMA 2025 Summer Conference Podiatric X-Ray Assistant attendee will be required to sign in on a sign-in sheet at the beginning of the X-Ray Assistant program taking place in Great Egret at 8:00 a.m. on Saturday, June 7, as well as prior to attending the Medical Errors course taking place in Calusa ABC with physicians at 4:00 p.m. on Saturday, June 7 as proof that they attended the program.

## Physicians

### Friday, June 6, 2025

Conference physician attendees must scan the QR code provided on a sign inside the Summer Conference Exhibit Hall (Calusa DE) after the conclusion of the final lecture of the morning at 12:30 p.m. A separate QR code will be provided outside the lecture hall for attendees of the Bicycle Fitting Workshop when it ends at 2:30 p.m.

### Saturday, June 7, 2025

Conference physician attendees must scan the QR code provided on a sign inside the Summer Conference Exhibit Hall (Calusa DE) after the conclusion of the final lecture of the morning at 12:30 p.m. A separate QR code will be provided outside the lecture hall for attendees of the Dermoscopy Workshop when it ends at 3:30 p.m. and the Medical Errors course when it ends at 6:00 p.m.

### Sunday, June 8, 2025

Conference physician attendees must scan the QR code provided on a sign outside the lecture hall (Great Egret) after the final lecture ends.

## X-Ray Assistants

### Saturday, June 7, 2025

Conference Podiatric X-Ray Assistant attendees must sign in on a sign-in sheet when they arrive for the X-Ray Assistant program taking place in Great Egret on Saturday at 8:00 a.m., and prior to attending the Medical Errors course with physicians in Calusa ABC at 4:00 p.m. on Saturday.

## General Information

Total CECH will be calculated from each physician's scanning records. The total CECH earned will be submitted to CE Broker by FPMA within two weeks after the conference has taken place. Podiatric Physicians who are licensed in Florida will be able to view these hours via their CE Broker account at [www.cebroke.com](http://www.cebroke.com). Podiatric Physicians from other states will be sent certificates via email showing total CECH earned by attending the FPMA 2025 Summer Conference.

***FPMA 2025 Summer Conference physician attendees will be awarded up to 14.0 Continuing Education Contact Hours (CECH), depending on lectures attended. Continuing Education Contact Hours are calculated hour-per-hour based on courses attended (time taken for breaks and meals are NOT counted); e.g., a 30 minute Science lecture will earn 0.5 Science credit hours, a one-hour Science lecture will earn 1.0 Science credit hours, etc.***

# ADDITIONAL ACTIVITIES

**Thursday, June 5, 2025**

## **Official FPMA Summer Conference Welcome Reception**

**6:00 p.m. - 7:30 p.m.**

**(Pre-registration Required)**

**Location: Belvedere Terrace**

Elite Wound Care Consultants

**Friday, June 6, 2025**

## **NON-CECH Lunch and Learn**

**12:30 p.m. - 1:30 p.m.**

**(Pre-registration Required)**

**"Advancing Forefoot & Midfoot Surgery with Vilex"**

**Speaker: Cody Togher, DPM**

**Location: Great Egret**

**Maximum Number of Participants: 25**

**Saturday, June 7, 2025**

## **NON-CECH Breakfast and Learn**

**7:00 a.m. - 8:00 a.m.**

**(Pre-registration Required)**

**"Safeguarding Wealth: Lawsuit Prevention and Tax Strategies"**

**Speaker: Dan McNeff**

**Location: Captiva Room**

**Maximum Number of Participants: 50**

# LEISURE AND SELF-ENRICHMENT ACTIVITIES

**Friday, June 6, 2025**

## **Mixology Class**

**(Pre-registration required)**

**1:30 p.m. - 3:00 p.m.**

**Location: Mangroves Bar**

## **Camp FPMA S'Mores**

**7:30 p.m. - 8:30 p.m.**

**Location: Tarpon Bay Fire Pit**

**Saturday, June 7, 2025**

## **FPMA Golf Tournament**

**(Pre-registration required)**

**Check-in: 12:30 p.m., Tee-off: 1:30 p.m.**

**Location: Saltleaf Golf Preserve**

# CONFERENCE OBJECTIVES

**At the conclusion of this conference, attendees will be able to:**

## **Current Standards of Wound Care**

- Understand the complexity of wound care patients.
- Use a timeline for evidence based treatment.

## **Pearls of Wound Care**

- Know the proper HPI of a wound.
- Know the proper documentation of a wound.

## **Nitric Oxide...from Nobel Prize to Wound Care**

- Improve understanding of endogenous nitric oxide.
- Improve understanding of exogenous nitric oxide.
- Increase awareness of nitric oxide devices and pharmaceuticals used in medicine today.
- Increase awareness of future versions of nitric oxide that might impact wound care.

## **In-Office Physical Therapy Considerations**

- Learn the simple and swift strategies for implementing physical therapy treatments into a podiatrist's practice.

## **Re-thinking Common Diagnosis in the Athlete**

- Understand the need for swift and thorough diagnosis and treatments when treating athletes.
- Become mindful of alternative diagnoses for common Podiatric conditions.
- Consider alternative diagnostic testing.
- Consider alternative conservative treatments that may not be in your "toolbox".
- Listen to conditions from the forefoot to rearfoot and lower leg conditions that can be used right away in your practice.

## **Bone Stress Injuries in Athletes**

- Understand Bone Stress Injuries Pathophysiology.
- Recognize Clinical Presentation & Diagnosis in Athletes.
- Assess Risk Factors & Prevention Strategies.
- Formulate Treatment & Return-to-Play Plans.

## **Relative Energy Deficiency in Sport Female and Male Issues**

- Identify the cause of relative energy deficiency (RED) in sports.
- Identify effects of low energy.
- Identify sports that are more prone to RED.
- Appreciate the spectrum of REDs in males and females.

# CONFERENCE OBJECTIVES (cont.)

## Bicycle Fitting Workshop

- Learn how proper bicycle fitting can enhance patient outcomes by reducing foot, ankle, knee, and back pain.
- Assess biomechanics.
- Optimize cycling posture.
- Incorporate bicycle fitting knowledge into your practice to better serve active patients.

## The MIS Revolution: What's Behind the Hype in Minimally Invasive Surgery?

- Review the complications that can occur within minimally invasive surgery.

## MIShaps: Navigating Complications in Minimally Invasive Surgery

- Learn the appropriate management of complications with MIS with case reviews.

## Thirty Years of Split Thickness Skin Grafting: Pearls Learned

- Understand the indications for application of a split thickness skin graft.
- Compare and contrast the benefits and risks of split thickness skin grafts with cellular and/or tissue-based products, full thickness grafts and flaps.
- Understand the mechanics of harvesting and preparing a split thickness skin graft.
- Understand the post-operative management of split thickness skin grafts.

## An Updated Look at 3D Printing: Making It Personal

- Gain an overview of how customized surgical planning, patient-specific instrumentation and custom 3D printed implants applications have continued to expand as technology has advanced.
- Find out where we are with these technologies and give insight to where things will go as we move towards more patient, pathology, and deformity specific treatments in the future.

## Flatfoot: When to Fuse, When to Spare

- Describe the pathophysiology and classification of adult acquired flatfoot deformity (AAFD), including key physical exam findings and imaging markers.
- Differentiate between joint-sparing and joint-destructive surgical procedures based on patient characteristics (e.g., BMI, rigidity, arthritis).
- Evaluate indications and biomechanical rationale for specific osteotomies, including Evans, Koutsogiannis, Cotton, and medial column fusions.
- Formulate a surgical plan using a stepwise, algorithmic approach tailored to deformity dominance and patient-specific risk factors.

# CONFERENCE OBJECTIVES (cont.)

## Medical Errors

- Identify the most common medical errors.
- Learn ways to avoid making the most common medical errors.
- Identify the top reasons for medical malpractice suits.
- Learn ways to avoid medical malpractice suits.

## Managing Diabetic Peripheral Neuropathic Pain Using Spinal Cord Stimulation

- Learn about the use of neuromodulation in managing painful diabetic neuropathy.
- Learn how the device is implanted.
- Learn the latest data showing efficacy of spinal cord stimulation for management of DPN.

## Treatment of Diabetic Peripheral Neuropathy (DPN) with Capsaicin 8% Topical System

- Differentiate the use of OTC capsaicin vs. prescriptive 8% topical capsaicin.
- Learn about the efficacy, safety, and duration of treatment benefits of 8% topical capsaicin.
- Understand the molecular change that 8% topical capsaicin provides.

## Peripheral Neuropathy: Diagnosing and Treating, Case Studies and Procedure Techniques

- Enhance physician diagnostic & treatment skills for Small Fiber Peripheral Neuropathy.
- Improve patient outcomes with early diagnosis of small vs. large fiber neuropathy.
- Attain competence with Epidermal Nerve Fiber Density Biopsy techniques.

## Rash Decisions

- Learn about rash history and what's important.
- Learn how rash morphologies can lead you to diagnosis.

## Update on Warts

- Review wart pathophysiology.
- Understand treatment protocols for warts.
- Learn various treatment modalities for warts.

## Utilizing Cytology for Lower Extremity Pathology

- Enhance physician diagnostic skills utilizing cytology to sample mass and fluid.
- Improve patient outcomes with early diagnosis of ganglion vs. sarcoma.
- Attain competence with needle aspirational biopsy and fixative selection.
- Understand differences between gout and pseudogout.

# CONFERENCE OBJECTIVES (cont.)

## Dermoscopy Introduction

- Learn about the diagnosis of skin lesions.
- Recognize common dermoscopy patterns.
- Learn the classic TADA algorithm.

## Dermoscopy Workshop

- Understand how dermoscopy works.
- Utilize dermoscopy for plantar skin lesions.
- Dermoscopy for the use of nail pigmentation.

## Surgical Wound Dehiscence: Proactive Strategies for High-Risk Incisions

- Define surgical wound dehiscence.

## Acute Reconstruction in Complete Ray Amputations: Achieving the Best Functional Outcomes

- Learn about the biomechanics of tendon transfers.

## Procedures on the Cutting Edge of Limb Salvage

- Understand the options available for “No option” vasculopathies.
- Understand the history, indications, and contraindications for transverse tibial transport.
- Understand the indications and contraindications for deep venous arteriolization.
- Compare and contrast transverse tibial transport and deep venous arteriolization.

## Muscle Flap Complications

- Learn how muscle flaps can aid in lower extremity hard to heal wounds.
- Learn about the different types of muscle flaps.
- Learn the algorithm for muscle flaps.
- Learn about common complications of muscle flaps and causes.
- Learn ways to decrease the chance of muscle flap failure.

## Sink or Swim: Managing Perioperative Complications

- Be able to identify perioperative complications.
- Address perioperative complications in a timely fashion.
- Properly order tests to identify perioperative complications.
- Implement best practices when addressing perioperative complications.
