

Practice Administrators/ Managers Forum

Join us for

The 2019 Summer Conference

A large, light blue footprint graphic is positioned to the right of the main title text, partially overlapping the word 'Conference'.

FPMA recognizes the critical role you perform daily in the effective and efficient operation of podiatric medical practices. Please join us as we provide an open forum for Practice Administrators to collaboratively discuss emerging issues, best practices and available resources. Connect with others who intrinsically understand what challenges you face and together identify opportunities and solutions. This real time conversation is guaranteed to provide return on investment.
