## **FPMA Issues a Member Financial Relief Package**

In an effort to assist Florida Podiatric Medical Association (FPMA) members during this time of uncertainty due to the impact of COVID-19, the FPMA Executive Board voted unanimously to waive FPMA dues for the first quarter of the 2020-2021 fiscal year.

In concert with APMA's plan (click [HERE](#) to learn more), this dues waiver initiative was designed to provide maximum financial relief for members without sacrificing any member benefits.

The FPMA hereby notifies all members of immediate dues relief, waiving FPMA dues for three months (June, July, and August 2020) for members\*.

This waiver will be implemented automatically, so no action is needed by members.
