

The Right Doctor for You

Using the Find a Doctor tool on **vsp.com** is easy

Visit **vsp.com/eye-doctor**
(or navigate from **vsp.com** home page)

Enter the preferences that are meaningful to you like:

- Location
- Gender
- Language
- Frame brands
- Specialty
- Services
- Hours & Scheduling

The screenshot shows the 'Find an Eye Doctor' search tool on the VSP website. The interface includes a navigation bar with links like 'FIND A DOCTOR', 'BENEFITS', 'OFFERS', 'EYEWEAR AND WELLNESS', 'PLAN OPTIONS', and 'SHOP'. The main heading is 'Find an Eye Doctor' with a subtext: 'To ensure you see an in-network eye doctor for your plan, Create an Account or Log In before you search. You'll get more and save more in-network!'. Below this is a search filter section with a grid of dropdown menus for 'Doctor Network' (set to 'Choice'), 'Type of Doctor', 'Products', 'Services', 'Frame Brands', 'Hours & Scheduling', 'Gender', and 'Language'. Each dropdown has a small link to 'about' its respective category. At the bottom left of the filter section is a 'Distance (in miles)' slider with markers at 5, 10, 25, 50, and 100. To the right of the slider is a blue 'Apply Filters' button. Above the button are links for 'CLEAR FILTERS' and 'HIDE ADVANCED SEARCH'.

A sliding distance bar makes finding a match nearby easy. You can even opt to view locations on a map.
