# YOUNG PRACTITIONERS FORUM

- This 45 minute, interactive panel discussion will offer attendees a member-only resource created to meet the unique needs of young physicians through each year of transition from residency to practitioner.
- Existing resources will be highlighted (practice management, billing/coding, compliance, reimbursement webinars, Residency Education Resource Center REdRC, student loan repayment, fellowship profiles, Board Certification) and member benefits provided by FPMA/APMA (Buyer's Guide/Affinity Programs, Career Center, etc) will be reviewed.
- Time will be allotted for Q&A. Attend and pose your inquiry in person or submit your questions for the panel in advance.
